

South Florida
WILDLIFE CENTER
Saving Wildlife in Our Urban Jungle

CORPORATE SPONSORSHIP PACKAGE

AN ANNUAL PARTNERSHIP WITH SOUTH FLORIDA WILDLIFE CENTER

(954) 524 - 4302 • 3200 SW 4TH AVE FORT LAUDERDALE FL 33315
WWW.SOUTHFLORIDAWILDLIFECENTER.ORG

THANK YOU!

By sponsoring the South Florida Wildlife Center, you'll play a vital role in providing lifesaving care to South Florida's native wildlife. Our mission is to rescue and rehabilitate sick and injured animals for release back into the wild while educating the community about living harmoniously with our wild neighbors. For over 54 years, we have been a trusted resource for both wildlife and the people of South Florida.

Why Sponsor Us

This partnership will directly support:

- **SFWC's operations**, enabling the admission and treatment of over 7,000 animals each year.
- **Our state-of-the-art wildlife hospital**, equipped with a surgical suite, Intensive Care Unit, advanced diagnostic tools, medications, and essential medical supplies.
- **Specialized rehabilitation habitats**, designed to replicate natural environments for each species, ensuring they are fully prepared for release back into the wild.
- **Community and school outreach programs**, offering engaging in-person and virtual educational presentations to inspire and inform.
- **Maintenance of our rescue ambulances and outreach vehicle**, ensuring efficient wildlife rescue and educational outreach efforts.

We do not receive financial support from the state or local government agencies. This lifesaving work is only possible with the generosity of people and organizations like you!

We are grateful for your compassion for wildlife and your partnership.

ANNUAL SPONSORSHIP OVERVIEW

The South Florida Wildlife Center was established to care for native wildlife across Miami-Dade, Broward, and Palm Beach counties. As Florida's highest-volume wildlife hospital and rehabilitation facility, we treat over 7,000 animals annually, representing nearly 300 species. Additionally, we are proud to be an internationally recognized teaching hospital, having trained hundreds of aspiring veterinary professionals over the years. By becoming a sponsor, you are making a meaningful impact on wildlife conservation—both today and for future generations.
